2. **REGISTRATION:** Participants must register with the Race Committee (RC) in advance at the Clubhouse above the main ramp not later than 9 a.m. All participants must pay the appropriate entry fee.

3. **SKIPPER'S MEETING/NOTICES TO COMPETITORS:** Skipper's meeting will be held at 9:30 a.m. at the Clubhouse, above the main ramp. The Race Committee may give oral instructions on the water by displaying the "L" flag and stating changes to these Sailing Instructions. A committee boat will meet boats at Mark 3 at 10 a.m. to tow to starting line.

4. **SCHEDULE OF RACES:** Two legs are scheduled, with a lunch break between.

5. **CLASSES:** Four boats are required to establish a one-design class, based upon registration for the race. Boats not establishing a one-design class will compete in the Open Centerboard fleet using Portsmouth ratings.

6. **RACING AREA, MARKS AND COURSE:**

a. The starting line for the first race will be near the entrance to New York Creek, approximately 2 miles up the South Fork from the main lake. The course will consist of the start, a .75 upwind leg to a pin set near Deep Ravine (round to port), and then downwind to the finish at the Salmon Falls Rafting Takeout.

b. Leg #2 will start at the finish line of leg #1, and will continue upwind to round the pin at Deep Ravine to port and finish at the Start for Leg 1 (at the entrance to New York Creek).

c. If water level or wind conditions warrant, an alternate race plan will be implemented and will be relayed at the Skippers meeting.

7. **THE START/FINISH:** Races will be started using a pursuit start schedule for the planned 4.5 mile (one way) course. Boats will be given starting times using current Portsmouth ratings. The start/finish line will be between the Committee Boat's mainmast or a staff displaying an orange flag and mark displaying a red flag to port of the Committee Boat.

a. Boats shall keep clear of the starting area until 5 minutes before the start time assigned to their class.

b. After finishing, all boats shall keep clear of the finish area until all classes have finished. Starting order will be announced at the skipper's meeting.

8. **TIME LIMIT:** The leading boat must finish within 2.5 hours from the start. The remaining boats must finish within one hour of the leading boat of that class. Those not finishing within these times will be scored "DNF." This changes RRS #35.

9. **PROTESTS:** Protests shall be filed in writing at the FLYC Clubhouse within 30 minutes of the Race Committee boat arriving dockside, and of her hoisting Code Flag "B." USSA forms for filing protests are available at the FLYC Clubhouse. Protest notices will be posted at the Clubhouse within 30 minutes of protest time limit expiration to inform competitors where and when there will be a hearing in which they are parties to or named as witnesses.

10. **SCORING:** The low-point scoring system, Appendix A4 of the Racing Rules will apply.

11. **SAFETY:** Safety is the primary concern of the Race Committee. All boats will have, as a minimum, a 15-foot tow line (painter) attached to their mast or suitable bow fitting while afloat. Rescue boats under the direction of the Race Committee may ask you to leave your boat. Failure to do so when so ordered will result in a disqualification from the entire series. All competitors must wear personal flotation devices (PFDs) while sailing. Those not complying with this rule shall be "DSQ'd." Every boat shall render all possible assistance to any vessel or person in peril, when in a position to do so. Boats retiring for the day shall notify the RC.

12. **AWARDS:** The number of awards will be determined according to the following criteria: four or less boats = 1 trophy; 5 – 10 boats = 2 trophies; 10+ boats, 3 trophies.
